NOTTINGHAM MAVERICKS
ICE HOCKEY CLUB

SINCE 2001

WE ARE THE MAVERICKS

Established since 2001, The Nottingham Mavericks are one of the largest and most successful University Ice Hockey Clubs in Britain, with a yearly roster that boasts an impressive level of hockey talent. Based in the East Midlands, the Mavericks possess a reputation for being a club that has developed numerous student athletes, with many being invited to join professional teams and represent Great Britain on an international level.

With four registered teams, playing 35 league games in cities all over the United Kingdom, your business has the opportunity to increase its brand presence fourfold. Our club also competes at the BUIHA National championships in Sheffield, where every University ice hockey team in the UK battles to be crowned National Champions. A title which the Nottingham Mavericks have successfully claimed nine times, across all levels of play.

A partnership with the Nottingham Mavericks also gives your business the opportunity to broaden your brand at both of our annual varsity events. The Nottingham Varsity ice hockey match is one of the largest ice hockey varsities outside of North America, consistently selling out the Motorpoint Arena Nottingham in a matter of hours, alongside being broadcasted live to thousands of viewers around the world. Our 2nd varsity event, known as the “Battle of Notts”, attracts crowds of over 3500 fans and continues to grow each year. This high tempo, action-packed thriller is now a staple event on the university sporting calendar.

We recognise that every business is unique and for this reason our sponsorship packages can be fully tailored to meet the needs and demands of your business. So why not join the Nottingham Mavericks as a club sponsor and let us guide you through the exciting world of ice hockey.
